

BlazingMemoryResource

```
graph BT; A[blazing_device_memory_resource] --> B[BlazingMemoryResource];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text "BlazingMemoryResource". The bottom box is light gray with a black border and contains the text "blazing\_device\_memory\_resource" on two lines. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating a specialization or inheritance relationship.

blazing\_device\_memory  
\_resource
