

```
ral::batch::BatchSequence  
::wait_for_next
```

```
graph LR; A[ral::batch::Print::run] --> B[ral::batch::BatchSequence::wait_for_next];
```

A diagram showing a call from `ral::batch::Print::run` to `ral::batch::BatchSequence::wait_for_next`. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray, and the right box is white.

```
ral::batch::Print::run
```
